

KRUNAL PATEL

Product Design Manager | UI/UX | Design Systems | AI-Driven Design | Front-End Development

Phone: +91 99049 21328 | Email: patelkrunal291@gmail.com | [Linkedin Profile](#)

PROFILE SUMMARY

Product Design Manager with 10+ years of experience across UI/UX, design systems, and product strategy. Proven track record of leading cross-functional design and product teams — defining product requirements, authoring PRDs, and delivering user-centered digital products aligned with business goals. **Extensive hands-on expertise leveraging AI tools (Claude, Figma AI, Windsurf, Copilot)** across the design and product lifecycle — ideation, prototyping, user research, and data-driven decisions — to accelerate end-to-end delivery and drive product innovation.

EXPERIENCE

Product Design Manager | Accumn – A Yubi Company, Ahmedabad

Apr. 2025 – Present

- Lead and mentor cross-functional teams, driving user-centered UI/UX and product design delivery.
- Define and execute design strategies aligned with business and user goals across the product lifecycle.
- Develop scalable design systems, improving consistency and delivery speed across teams by 30%.
- Integrate AI-driven personalization and automation, boosting product engagement by 25%.
- Utilize AI tools for ideation and prototyping, cutting design iteration time by 40%.
- Leverage data analytics to optimize UX, improving task completion rates by 20%.
- Partner with product teams to define product requirements and author PRDs for new initiatives.
- Drive AI-powered, end-to-end product delivery from ideation through launch and iteration.

Lead Designer | Accumn – A Yubi Company, Ahmedabad

Apr. 2023 – Mar. 2025

- Led a design team, overseeing UI/UX execution across multiple product lines for consistent quality.
- Owned end-to-end design delivery for key features, from research through high-fidelity UI handoff.
- Built and scaled design system components, improving design-engineering collaboration.
- Mentored junior and mid-level designers through design reviews, raising team-wide standards.
- Partnered with product managers to translate business requirements into user-centered design.

Web Designer | Accumn – A Yubi Company, Ahmedabad

Jan. 2019 – Mar. 2023

- Designed wireframes, prototypes, and UI/UX across web and mobile product applications.
- Built responsive, pixel-accurate web interfaces in close collaboration with front-end developers.
- Created visual design assets and reusable UI components, laying the early design system foundation.
- Conducted basic usability checks and gathered user feedback to inform design decisions.

Web Designer | Aarvi Encon Limited (GIPL), Gandhinagar*Mar. 2016 – Jan. 2019*

- Designed wireframes, prototypes, and UI for web and mobile applications.
- Collaborated closely with developers to ensure seamless, pixel-accurate implementation.
